

INDIANA FLUID POWER

*Motion Control Solutions
Hydraulic, Pneumatic, Electrical*

Staff

- ❑ Outside Sales Engineers are Certified by the Fluid Power Society
- ❑ Locally Based Sales Engineers Serving all of Indiana
- ❑ Serving both Mobile & Industrial Customers
- ❑ In-House Mechanical & Electrical Engineering Support
- ❑ Experienced Inside Sales Staff
- ❑ Knowledgeable Counter & Assembly Staff

Engineering & Design

- ❑ Complete In-House System Design
- ❑ Manifold & Circuit Design
- ❑ Product Application Support
- ❑ Complete System Integration
- ❑ Design & Build to Customer Specifications
- ❑ Auto CAD Drawings
- ❑ Complete Documentation

Assembly & Manufacturing

- ❑ Custom Hydraulic Power Units
- ❑ Complete Units - Hydraulic, Pneumatic & Electrical
- ❑ Custom Manifold Assemblies
- ❑ Design & Build Control Panels
- ❑ Filtration & Lubrication Systems
- ❑ Hose & Tube Assemblies
- ❑ Extrusion Assembly

Products

- ❑ Hydraulics - Mobile & Industrial
- ❑ Pneumatics
- ❑ Electrical - Motion Controllers
 - CAN bus Control Systems
 - Custom Control Panels & Systems
 - Joystick Controllers
 - Wiring Harnesses
 - Handheld Pendants & Mounted Control Packages
 - Sensors
- ❑ Automation - Mechanical & Electrical
- ❑ Filtration
- ❑ Connectors - Fluid & Electrical
- ❑ Booster Systems - Liquid, Air, & Gas
- ❑ Lubrication Systems

Services

- ❑ On-Site System Diagnostics
- ❑ Extensive Inventory
- ❑ 24/7 Emergency Service
- ❑ Service & Repair - Any Manufacturer
- ❑ Genuine Parker Parts - Leak Free Certification Program
- ❑ Guaranteed Parker Replacement Parts & Parker 5 - Year Extended Warranty
- ❑ Supply Chain Management Programs - Parker PIP
- ❑ EDI
- ❑ Fluid Condition Testing
- ❑ Training Schools & Seminars
- ❑ Private Labeling
- ❑ Kitting
